Points are allocated to Dunedin & Invercargill club members

Points are given for the place. If a club member from outside Dunedin or Christchurch take a place, they are not recorded for annual points. Drivers retain their points for positions – they do not move up in the result list.

A driver must compete in a minimum of five meetings to qualify for the championship

If the motion for exception is accepted at AGM 2016, drivers who begin to race (either new or practice licence upgrades) late in the season when less than 5 meetings are left, they will still be eligible for the championship

Points are awarded as follows: 1st = 20, 2nd = 18, 3rd = 17, 4th = 16, etc.
